Common Ground

The Marine Flag is presented to the Butler R.O.T.C. General Davis, Colonel Whitlock, Rev. Henry Norris and Staff Sergeant Handewith.

General Davis addresses the assembly as Mr. McKenzie, Colonel Whitlock, and Rev. Henry Norris look on.

Drill team performs with skill and determination for excellence.

Marine Corps JROTC

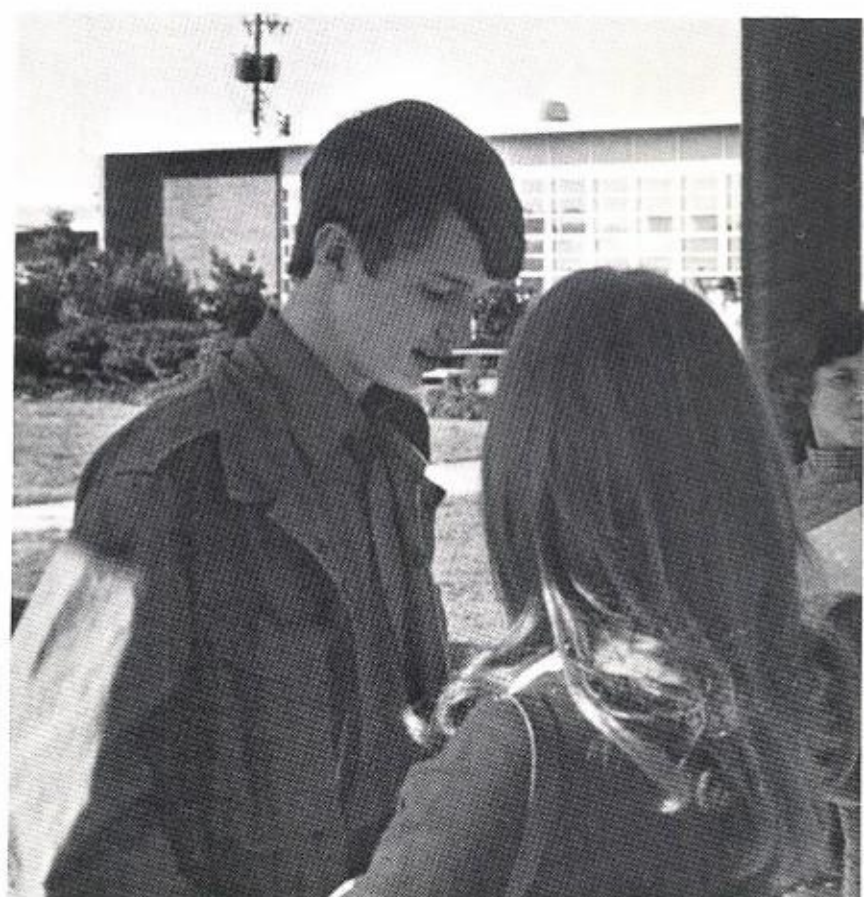

First in Butler — First in Georgia.

Since 1966, the Marine Corps with the approval of Congress, has organized twenty Junior Reserve Officers Training Corps across the country. Butler is proud and grateful for being the first school selected in the state of Georgia to uphold the honor of the Marine Corps. Although militarily oriented, this program covers a wide range of objectives. To strengthen character, to help form habits of self-discipline, and to develop leadership training are the basic objectives, which, in turn, help to form alert and responsible citizens.

In 1971, the Butler MC JROTC installed its first officers, organized its first drill team, and established its first color guard. The Christmas project was Toys for Tots. In February the cadets enjoyed a four-day excursion to the Marine base at Parris Island, S.C. In March, a commissioning ball was held in honor of Butler's first JROTC officers.

Color guard stands tall for Butler.

The world today is looking for men who are not for sale; men who are honest, sound from centre to circumference, true to the heart's core; men with consciences as steady as the needle to the pole; men who will stand for the right if the heavens totter and the earth reels; men who can tell the truth and look the world right in the eye;

Men who neither brag nor run; men who neither lag nor flinch; men who can have courage without shouting it; men in whom the courage of everlasting life runs still, deep and strong; men who know their message and tell it;

Men who know their place and fill it; men who know their business and attend to it; men who will not lie, shirk or dodge; men who are not too lazy to work nor too proud to be poor; men who are willing to eat what they have earned and wear what they have paid for;

Men who are not ashamed to say "No" with emphasis and who are not ashamed to say, "I can't afford it."

"And so . . . 1970-1971
was a year that was.
It was the time of all times,
a time when there
was no time.
It was a time of many times
to many people . . .
to remember these
pages of the past . . .
the present . . .
the future."

Kenny, I've told
since I've told
your annual for like
300 years thought I'd sign
it okay, don't be mad at me
why I like you is because you
are the only guy I and you tell people
I can really talk to and dig something or want
exactly what ya want to dig them. But you can
when someone want to know something else to
some good advice you give it when you want to
be a little base (ya know) think of anything else to
any guy can ya know. Well I year don't get mad that I
say except see ya okay. I pay it back somehow okay! (Bye)
Keep that page I pay

Peace
Baby

Luff ya,
Patty

Dear Lenny,

I've enjoyed having you in my class this year, although there have been a few unpleasant moments.

I hope that in years to come you will be a person that I can be proud of, Lenny. You're part of a wonderful generation, do your best to develop it.

As you go through life, always remember that a man's character and garden are determined by the amount of weeding done during the growing season. God bless you.

Love,
E. Kennedy
